"CSIT4Aid" - the CSIT Solidarity APP

CSIT is more than a sports confederation! Solidarity is one of our oldest pillars. It is not only a word; CSIT is living solidarity even nowadays. A brand new CSIT Solidarity App (named "CSIT4Aid") has been developed, based on a fundraising system to support poor CSIT member unions, to give them also the opportunity to participate in CSIT sports events and conferences, in particular the CSIT World Sports Games (WSG) 2019 in Tortosa. 2015 CSIT decided to invite a delegation from Cuba to the WSG in Lignano Italy.

Every single person can easily participate, download is for free! Even the smallest contribution can play a big role! Living solidarity in 2018! As a social and democratic organisation it is of highest importance to support all members and give them best opportunities in any case.

Candidate Cities for CSIT World Sports Games 2021 & 2023

The VI. World Sports Games 2019 will take place in Tortosa / Spain from July 2 to 7. But CSIT is constantly searching for future hosts, presently for the upcoming CSIT World Sports Games 2021 (WSG). The bidding period is under way; application is still possible till October 1, 2018! The added value and visibility for a region hosting a major event like CSIT WSG is enormous, for that reason till the present day there are several expressions of interest from Europe, America and Asia.

Candidates have the possibility to present their applications at the CSIT Congress in Tortosa (October 25, 2018) with the opportunity to introduce their countries and host cities. The CSIT Executive Committee is then immediately starting the evaluation process in view of the applicant cities for 2021 and makes a decision at least two years before the WSG. Even a double awarding (two WSG-editions at once) may be possible. Every interested country, region, city, event management company, organization or institution can apply as host for the CSIT WSG!
