CSIT GOLF Tournament - special offer for member union's leaders

On request of some organizations, CSIT decided to offer in particular to Presidents, General Secretaries and their stakeholders a special arrangement for participation in the CSIT Golf-Tournament during the CSIT World Sports Games in the Tortosa. Leading personalities and executives of CSIT member unions will have the possibility to play only the 2-day-Tournament without practice rounds for special conditions. This gives all leaders the possibility to visit their athletes and teams during the games and spend sufficient time at all other sports venues. The CSIT Golf event is a prestige project and a big personal concern for the CSIT and President Bruno Molea, who would be delighted to welcome many Presidents and General Secretaries at the Tortosa Games. With this tournament, the CSIT welcomes also media representatives at the CSIT World Sports Games with the 1st World Golf Championship for Journalists. Insurance policy for the WSG

CSIT draws attention to the correct insurance cover during the games. Catalonia is a region in Spain which is a member of the European Union. Therefore, the insurance cover must meet the standard of the European Union. The insurance cover of all participants is compulsory according to the CSIT regulations. In the registration platform, you can take out insurance for each participant who does not have one. For participants without sufficient insurance cover, CSIT offers a financially attractive "all-in insurance package" through CSIT partner "Allianz Group". For an attractive price of 8 Euros per person you will be adequately insured. Find further details in the online registration platform. When uploading participants in the "Definitive registration" section, you must confirm, that each participant has at least one type of coverage. Without confirming, the platform does not allow you to store data.

Re-activation of Gymnastics

In 2019 the CSIT has many new partners and new members, with a new and wide range of sports activities and goals in the sport for all sector. After analysing the situation, the CSIT Executive Committee has decided to have a try to re-activate Gymnastics in the movement again and to bring more people to sports activities with an even broader offer. The Finnish CSIT member organization TUL - Suomen Työväen Urheiluliitto is organizing open TUL's 100th Anniversary Championships "Under the Patronage of CSIT" with Gymnastics as part of these centennial celebrations. We would like to encourage all our interested member unions to participate in Finland. With a minimum of four CSIT member unions CSIT will be able to re-activate the Technical Commission Gymnastics within the frame of this anniversary-festival in Finland. If you are interested in Gymnastics in CSIT, or know interested partners, please do not hesitate to register as well as contact our Finnish colleagues from TUL, Mrs. Rajajärvi.
