New CSIT member Korea visits Rome Office

CSIT has added three new partners to its organisation during the ExCom meeting in Tortosa with Malta (Sport for All), South Korea (Korean Office Workers Sports Committee) and Kosovo (Kosovar Workers Sport Federation). At the beginning of April, a delegation from Korea visited the CSIT Presidents’ Office in Rome. Chairman Myungsoo Eo and Executive Advisor Robert Kim had fruitful discussions with CSIT President Bruno Molea about future cooperation. The Korean organization is one of the largest CSIT partners and was enthusiastic about the opportunities of the new membership and of the CSIT World Sports Games. Delegations from the new member organizations will also come to Tortosa this summer.
CSIT is sending out a series with the presentation of all cooperation partners in addition to the classic 14 CSIT sports. Numerous associations will be holding their championships as part of the WSG. Tortosa 2019 will have a great sport offer at the CSIT WSG. In this Newsletter we will introduce you WDSM Dance Sport Movement, Pole Sports, Skating and Golf. Stories about all partners can be found online in the 2018/2019 CSIT Magazine (download now!) and on www.csit.tv

CSIT partner WDSM - World Dance Sport Movement

WDSM is currently striving for being accepted formally as sports federation in international sports. To achieve that, it was necessary to prepare a federation that is able to support this aspiration. The WDSM as federation has chosen to use an absolutely innovative judgment method and the athletes are interested in this new conduct of competition and provision of judgment. WDSM differs from the World Dancesport Federation substantially in view of the dance repertory and presently there are numerous dance disciplines like Folk Dances, Filuzzian Dances, Afro Caribbean, Argentine, Choreographic and others.

One of the key people who supported the WDSM project was AICS and CSIT President Bruno Molea. He personally followed the evolution of the project. Therefore, with the support of various nations, WDSM will be happy to present the "New Sport Dance" at the CSIT World Sports Games 2019. Emotions will not be lacking in a sport like dancing, that has and provides a very high rate of spectacular performances.
