CSIT-President Bruno Molea on tour

The weeks before the CSIT World Sports Games in Tortosa Bruno Molea was on cooperation-tour. The CSIT-President met the CSIT-member organization AFSTB in Belgium for a strategic meeting with their officials, was in Holland for a co-ordination meeting with member NCS and CSIT sports director Henk Bouchoms, was travelling to Vienna to meet the President of member ASKÖ and visited Finland to take part in their big celebration for 100 years anniversary of CSIT member-organization TUL.

100 years TUL Finland

CSIT member TUL - Suomen Työväen Urheiluliitto - celebrated the 100th anniversary by organizing amazing events throughout Finland. The greatest happening was the federal celebration week in Helsinki from June 14 to 16. The jubilee 2019 culminated in Helsinki Ice Hall on June 15th, 2019. Celebrations were held already from beginning of the year specially in Helsinki, where TUL was founded 100 years ago. CSIT President Bruno Molea visited the big festival week and opened the TUL general assembly, which was an elective assembly for the new TUL president and board. To be present was very relevant for the continuity of the historical friendship and cooperation between CSIT and TUL.
New TUL President Lasse Mikkelsson

The Finnish Workers' Sports Federation TUL elected Lasse Mikkelsson as the organization's new chairman and president on June 16th 2019. Mikkelsson is the CEO/Rector of the Pajulahti Sports Institute. New Vice-Presidents of TUL are Henrik Nyholm and Anu Rajajärvi, who is also vice-president of CSIT. Other members of TUL's Executive Committee are Pirjo Ailanto, Pekka Hahl, Tuomo Laine, Petteri Luokkala, Päivi Saarinen, Aira Ikonen, Harry Seidler and Tuija Vähänen-Koivuluoma.
Court of Arbitration in Tortosa - Fairness is important

CSIT decided to install a Court of Arbitration, which was introduced to the CSIT family at the Congress held in Tortosa last October. The Court of Arbitration is responsible for arbitrating in controversies between the CSIT and its member unions and between members of the CSIT. If there are any problems with different sports or miss-understandings between countries or concurrent teams during the World Sports Games there is the possibility to contact the Court of Arbitration (CoA) at any time to clarify the situation. Present in Tortosa, in order to make prompt decisions, will be Head of the Court ADV. Giancarlo Guarino (ITA), Prof. Robert Kasper (AUT), Willy Hofer (SUI) and ADV. Gavriel Kraus (ISR). In order to avoid a conflict of interest, the Head of CoA appoints a panel for each case, which is composed of 3 members. Find here all necessary details about procedures and regulations of the Court of Arbitration!
