• In case of tie of wins and points between 2 competitors, the winner is the one who had won the fight between both.

• In case of tie of wins between 3 competitors, the result will be according to the highest number of points.

• In case of tie of points, the competitors will have to play a “closing” pool. If there would be at the end of the closing pool steal equality, the pool would have been done again, with direct application of the golden score rule. The fights will stop as soon as a result will be registered. The table will show the times of fight, in prevision of the eventual application of the following paragraph.

• In case of a new equality of victories and points, and if impossibility to apply the rule of the fight which opposed them, the winner will be declared with the times of the fight (winner is the one with the shorter time).

• In case of withdrawal of a competitor, all the results of his former fights will be cancelled. For example, a pool of 5 becomes a pool of 4.

CSIT championships are organised according the principals of Fair Play. During CSIT Championships athletes, persons and teams can be awarded for acts of Fair Play.

Fair Play regulations can be found in the CSIT Technical Commissions and Championships General Regulations edition 2016 and later, Chapter 5.

- Provisional registration: at least four (4) months before the championship starts.

- Final registration: at least two (2) months before the championship starts.

- Final registration must include the list of all delegation members (first name - last name - birth date - gender - function)

4-2 COVERING CHARGES

Unions pay for all travelling cost to the city where the championship is organised (round way).

The organizer Union shall take charge of the following issues:

- Transportation of delegations from the airport or train station to the hotel on the day of arrival and departure
- Local transportation during the stay depending on the program (between hotels and sport facilities in particular)
- Full board accommodation (e.g. double room, breakfast, 2 meals a day)

Every participant Union shall pay a registration fee as determined at the latest CSIT Congress to the organising Union for each member of the delegation.

By the time of issuing of the provisional application forms, the organizer Union can collect an advance payment of 50% of the total amount to be paid by the participating Union, the remaining amount being paid at the time of the permanent registration or on the day of arrival, final deadline.

4-3 CANCELLATION POLICY

CSIT has a cancellation policy. This cancellation policy covers the payments at preliminary and final registration and the refund payments by cancellation of a participating party or by the host of the championship.

The article in detail can be found in Chapter 4. under I of the Technical Commissions and Championships General Regulations.
5. ORGANISATION/PREPARATION

5-1 ORGANISING COMMITTEE
The organising committee by the host is in charge of the preparation and organisation of the championship. The CSIT Technical Commission and a representative of the organising committee are in charge of the management of the championship during its duration. See Chapter 4 under E of the Technical Commissions and Championships General Regulations.

5-2 INVITATIONS
The organising committee sends championships invitations to every CSIT Union (and partners), company sports organisations and guests etc. at least nine (9) months before the start of the championship. Invitations must include this information:
- Participation;
- Sporting activities, social and cultural program;
- Referees needed;
- Boarding facilities;
- Arrival and departure accommodations;
- If possible, general program.

Detailed information can be found in Chapter 4 under D of the Technical Commissions and Championships General Regulations.

5-3 PREPARATION
Depending on the situation and with the CSIT Sports Director’s authorization, a member of the Technical Commission (chairman or secretary) can visit the location where the championship is organised, at least three (3) months before it starts, to settle with the organising Union planning and preparation of the championship. Travelling expense can be covered under certain conditions by the funds awarded to the JUDO Technical Commission by the CSIT.

5-4 REPORT
Within seven (7) days after the Championships the secretary of the Technical Commission will send the results of the Basketball Championship to the Sports Director and office of CSIT. No later than one (1) month after the end of the championship, the Technical Commission secretary must send a report about the championships and all the sport results plus the minutes of the TC meetings to the members of the Basketball Technical Commission, to the Unions, to the Sports Director and to the office of CSIT.
6. REFEREEING

When unions don’t have to bring in their own referees there will be a standard line: *All referees and officials will be arranged by the host*

The referees are registered by the Unions. Each Union must provide one referee per participating team. Unions who do not apply this rule must pay the organiser Union an amount specified in CSIT regulations to cover substitute referees’ fees.

The referees are not allowed to assume another position within their own delegation.

The Technical Commission decides of the refereeing conditions according to the discipline needs based on the IJF regulations.

Referees must be official referees of their own Union on national or international level. If necessary, a Union can contact referees from its country National Federation or from the IJF.

A minimum of 6 referees on each tatami is necessary for a good progress of the championship.

The referees and the judges will control the judogis (dimensions must be in accordance with IJF Rules) at the entrance of the category on the tatami.

If a competitor wears a non-allowed judogi, he/she will be disqualified, after an agreement with the responsible of the competition. The first called combatant (or team for team competitions) of every fight is allowed to wear the blue judogi instead of the red belt. The second called combatant (or team) will not wear white belt in that case.
