GENERAL ASSEMBLY

VARNA, 2012

MARTIAL ARTS FEDERATION
OF SLOVENIA
PURPOSE OF THE ASSOCIATION

- Martial arts association of union sports of Slovenia works together with the government to effectively improve Slovenian sports.
- Encourage sports development on an international level and follow the goals of CSIT at popularization and organization of competitions for the working class and sports for everyone.
- For this we are connected with regional sports associations, which are in turn connected over OKS-ZSZ, to create a unified organization.
MEMBERSHIP

- National martial arts associations
- Municipal sports associations of sports for everyone
- Partnership with syndicates
- Olympic Committee of Slovenia – Union of sports associations
GOALS

● Creating conditions for associations and organizations to work as a place to connect and coordinate activities for residents and sports workers, as well as to create sports offers and development all across the country and abroad;
● Encouraging development of sports organizations and sports as a positive activity to improve the individual, region and country;
● Strengthening the sportsmanship consciousness, member interaction, offering new ideas, innovations, practice;
● Encouraging members to create projects and partnerships; encouraging the creating and operation of sports associations in all places that have the conditions to develop sports and people that want it to;
● Offer help to associations for cooperation at organization and realization of different forms of sports staff all across the country and to ensure their stable and equal position;
● Encouraging cooperation on projects and programs with organizations that work on the field of sports. ZZBS will offer specially coordinated sports activities. With the organization of civilians, we will set a framework for mutual cooperation in sports.
COMPETITIONS

- Regional competition
- National competition
- International competition

All competitions are carried out with the same criteria, which are based on CSIT criteria.
PROJECTS UNTIL 2015

- Regular editions of World of martial arts magazine with extended content for working class sports and sports for everyone
- Realization of educating professional staff – sports for everyone
- Taking part at world working class games in Varna, Bulgaria
- Cooperating with ex-Yugoslavia countries
- Managing rules and others acts for carrying out projects and working class competitions
- Coordinating rules with CSIT
INITIATIVES FOR WORKING CLASS SPORTS MOVEMENT

- Restoring movement for working class Olympics and continuing with the 4\textsuperscript{th} one, last one was planned in 1943 in Helsinki, Finland, but was never realized

- Creating a foundation of working class sports movement to help people in need
